

32.1005

the liquidation rate or designated dollar amount in the contract. The method of liquidation must ensure complete liquidation no later than final payment.

(1) If the contracting officer establishes the performance-based payments on a delivery item basis, the liquidation amount for each line item is the percent of that delivery item price that was previously paid under performance-based finance payments or the designated dollar amount.

(2) If the performance-based finance payments are on a whole contract basis, liquidation is by predesignated liquidation amounts or liquidation percentages.

(e) *Competitive negotiated solicitations.*

(1) If a solicitation requests offerors to propose performance-based payments, the solicitation must specify—

(i) What, if any, terms must be included in all offers; and

(ii) The extent to which and how offeror-proposed performance-based payment terms will be evaluated. Unless agencies prescribe other evaluation procedures, if the contracting officer anticipates that the cost of providing performance-based payments would have a significant impact on determining the best value offer, the solicitation should include an adjustment of proposed prices to reflect the estimated cost to the Government of providing each offeror's proposed performance-based payments (see Alternate I to the provision at 52.232-28).

(2) The contracting officer must—

(i) Review the proposed terms to ensure they comply with this section; and

(ii) Use the adjustment method in 32.205(c) if the price is to be adjusted for evaluation purposes in accordance with paragraph (e)(1)(ii) of this section.

[65 FR 16282, Mar. 27, 2000]

32.1005 Solicitation provision and contract clause.

(a) Insert the clause at 52.232-32, Performance-Based Payments, with the description of the basis for payment and liquidation as required in 32.1004 in—

(1) Solicitations that may result in contracts providing for performance-based payments; and

48 CFR Ch. 1 (10-1-02 Edition)

(2) Fixed-price contracts under which the Government will provide performance-based payments.

(b)(1) Insert the solicitation provision at 52.232-28, Invitation to Propose Performance-Based Payments, in negotiated solicitations that invite offerors to propose performance-based payments.

(2) Use the provision with its Alternate I in competitive negotiated solicitations if the Government intends to adjust proposed prices for proposal evaluation purposes (see 32.1004(e)).

[65 FR 16283, Mar. 27, 2000]

32.1006 [Reserved]

32.1007 Administration and payment of performance-based payments.

(a) *Responsibility.* The contracting officer responsible for administration of the contract shall be responsible for review and approval of performance-based payments.

(b) *Approval of financing requests.* Unless otherwise provided in agency regulations, or by agreement with the appropriate payment official—

(1) The contracting officer shall be responsible for receiving, approving, and transmitting all performance-based payment requests to the appropriate payment office; and

(2) Each approval shall specify the amount to be paid, necessary contractual information, and the appropriation account(s) (see 32.1004(c)) to be charged for the payment.

(c) *Reviews.* The contracting officer is responsible for determining what reviews are required for protection of the Government's interests. The contracting officer should consider the contractor's experience, performance record, reliability, financial strength, and the adequacy of controls established by the contractor for the administration of performance-based payments. Based upon the risk to the Government, post-payment reviews and verifications should normally be arranged as considered appropriate by the contracting officer. If considered necessary by the contracting officer, pre-payment reviews may be required.

(d) *Incomplete performance.* The contracting officer shall not approve a performance-based payment until the

specified event or performance criterion has been successfully accomplished in accordance with the contract. If an event is cumulative, the contracting officer shall not approve the performance-based payment unless all identified preceding events or criteria are accomplished.

(e) *Government-caused delay.* Entitlement to a performance-based payment is solely on the basis of successful performance of the specified events or performance criteria. However, if there is a Government-caused delay, the contracting officer may renegotiate the performance-based payment schedule, to facilitate contractor billings for any successfully accomplished portions of the delayed event or criterion.

32.1008 Suspension or reduction of performance-based payments.

The contracting officer shall apply the policy and procedures in paragraphs (a), (b), (c), and (e) of 32.503-6, Suspension or reduction of payments, whenever exercising the Government's rights to suspend or reduce performance-based payments in accordance with paragraph (e) of the clause at 52.232-32, Performance-Based Payments.

32.1009 Title.

(a) Since the clause at 52.232-32, Performance-Based Payments, gives the Government title to the property described in paragraph (f) of the clause, the contracting officer must ensure that the Government title is not compromised by other encumbrances. Ordinarily, the contracting officer, in the absence of reason to believe otherwise, may rely upon the contractor's certification contained in the payment request.

(b) If the contracting officer becomes aware of any arrangement or condition that would impair the Government's title to the property affected by the Performance-Based Payments clause, the contracting officer shall require additional protective provisions.

(c) The existence of any such encumbrance is a violation of the contractor's obligations under the contract, and the contracting officer may, if necessary, suspend or reduce payments

under the terms of the Performance-Based Payments clause covering failure to comply with a material requirement of the contract. In addition, if the contractor fails to disclose an existing encumbrance in the certification, the contracting officer should consult with legal counsel concerning possible violation of 31 U.S.C. 3729, the False Claims Act.

32.1010 Risk of loss.

(a) Under the clause at 52.232-32, Performance-Based Payments, and except for normal spoilage, the contractor bears the risk for loss, theft, destruction, or damage to property affected by the clause, even though title is vested in the Government, unless the Government has expressly assumed this risk. The clauses prescribed in this regulation related to performance-based payments, default, and terminations do not constitute a Government assumption of risk.

(b) If a loss occurs in connection with property for which the contractor bears the risk, and the property is needed for performance, the contractor is obligated to repay the Government the performance-based payments related to the property.

(c) The contractor is not obligated to pay for the loss of property for which the Government has assumed the risk of loss. However, a serious loss may impede the satisfactory progress of contract performance, so that the contracting officer may need to act under paragraph (e)(2) of the Performance-Based Payments clause. In addition, while the contractor is not required to repay previous performance-based payments in the event of a loss for which the Government has assumed the risk, such a loss may prevent the contractor from making the certification required by the Performance-Based Payments clause.
